Technology

Technology sessions are held at Tamatea Intermediate on Mondays throughout the year (10am-12:30pm, the same time as last year). Children bus to and from school and develop their technological understanding in the following areas; **Food Technology, Visual Art, Multi-Materials, Fabric Technology and Metal Technology**. Children are **required** to wear **sensible, covered school shoes** to all Technology sessions (winter school shoes.) Note: Seniors from St Patrick's School receive the same amount of technology time as Students from Tamatea Intermediate. Our first session is next Monday, the 15th of February.

Curriculum

Numeracy Testing begins in week three. This will enable us to group children based on their current needs. Until then, we will be focussing on mathematical knowledge (facts that we need to recall quickly).

Literacy/ Inquiry

Our Literacy programme will be based around our current Inquiry key concept, "*Building a learning community*." We plan to look at what we can do to make our classrooms into learning communities. From there, we will look at how our differences are something we need to celebrate.

Religious Education

We begin the term looking at what makes our school special (Our School Charism). We will then cover the Jesus strand.

Homework

Homework will be given weekly in the Senior Syndicate. It is expected that children will spend up to thirty minutes each night completing spelling, reading logs and maths knowledge activities. Occasionally, teachers will send home unfinished work for completion at home. We would appreciate homework being sighted and signed weekly.

P.E

We begin the term with Athletics; various running distances, shot put, discus, high jump and long jump. Later in the term we start swimming at the Onekawa Aquatic Centre.

Te Reo

We are looking at our Mihi, introductions, greetings and responding to instructions. If you have interesting facts about your Iwi, Hapu or Marae, please feel free to send it to school so we may share and find out a little more about each other.

Sports teams

This term we have teams representing our school in the following sports;

Cricket: Played Saturday mornings at a number of locations in Napier and Hastings.

Basketball: Played Thursdays at the PGA Taradale.

Volleyball: TBC
