

Middle Primary NEWSLETTER

Term 1 2012

Dear Parents / Caregivers

We would like to take this opportunity to welcome you all, especially Year 3 parents. We are looking forward to working with you this year. We will be contacting all parents by phone during weeks 2/4 to answer any queries or concerns

We are beginning the year with an inquiry unit called You and Me = We, so we can develop a Class Treaty and begin to build our class culture. When completed this will enable us to create a positive learning environment for your child.

LITERACY

Once again there will be a concentrated focus on literacy skills throughout our syndicate. Children will be taught in smaller groups for both reading and writing so that specific learning needs can be addressed

NUMERACY

This term we will focus on number, measurement and geometry. Basic facts will continue to be practised both at school and home.

Planned Excursion

Ahoy Ahuriri 16/17 feb
