

Term 2 Newsletter 2013

Junior School Syndicate

Welcome back to another term. We hope all the children have had a restful and relaxing break and are full of energy for all the exciting learning we are going to be doing this term.

We are very happy to have Ms Lianne join us in room M5 for the first six weeks of this term.

We would also like to welcome Sophie, Aryam and Harshmeen our New Entrants starting on Monday.

This term we are going to be inquiring into "What happens if?"

This is a science based inquiry topic and will be touching on action and reaction, cause and effect and other areas that the children's questions take us.

Discovery stuff

Please keep all the great discovery stuff coming. Thank you.

M5 would love some old cushions or a bean bag if anybody has unwanted ones at home.

A3 would love a floor mat for the library corner if anybody has an unwanted one at home..

Reminders

Head lice are a constant battle. Please regularly check your child's hair. Remember your child is not clear until there are no more eggs as well as live lice. Keep treating every three days until they are all gone.

Please keep school sores covered and see a doctor as they are highly infectious.

With the cold wet weather just around the corner colds and sniffles will start. Please send your child to school with tissues if they have a cold and remember to keep them home with bad coughs and sore throats to avoid infecting other children.

From week one this term your children will be participating in a soccer skills programme, please ensure girls have the blue uniform P.E. shorts.

School starts at 8:45 am

Please ensure children are at school in enough to be organized for their day. It is recommended that children are here about ten minutes before 8:45.

Correct winter uniform for all Juniors;

Girls-white skivvy, winter pinafore, black shoes, white knee length socks or dark green or navy tights. Hair is to be tied back with hair bands and hair ties that are black, green, or navy. Plain only. Boys-grey skivvy, winter shorts, grey long socks and black shoes.

It is very important that all uniform including socks and shoes is named.

We would really appreciate it if you could spend some time teaching your child to tie their laces. You can also buy some great shoes with Velcro straps which the little ones find much easier to undo and do up.
