

Term one 2011

Dear Parents

Welcome to Room A3. Your children have all settled really well and we are all enjoying our learning.

Just a few reminders to help your children to achieve good learning in A3.

School starts at 8:45am. It is important that the children have a few minutes before the bell rings to bring their book bags in, take down their chairs and also to socialise with their peers before we start for the day.

All children should have a book bag to keep their reading books, library books and any notices that come home, safe and clean.

Hats need to be at school everyday please. No hat, no play!

Thank you to all parents who have returned their green forms with all contact details, it is important we have all this information close at hand.

Children in A3 will be given Reading Homework Monday – Thursday. Please take a few minutes to sit and listen to your child read and question them on what they have read. The books they bring home will have been read with me during Guided Reading in the day. Sometimes they may bring a Browsing Book home which will be at a lower level than their Guided Reading book. This is for them to read with ease and for enjoyment.

Our Library day is Thursday.

At the moment in RE we are learning about our Schools Charism, Prayer then the God Strand. For our Topic we are revising our School Rules and making our Behaviour Management Folder, which will come home when complete. Later this term we will be doing an Inquiry based unit on Who is in our Community? This should be exciting and challenging for our children. Testing will start next week in Maths, Phonics and Reading.

Please feel free to pop in and see our classroom after school. I am available to chat after school or you may like to make an appointment time if this is inconvenient.

I am looking forward to working with your children this year. I am sure we will have a lovely year together.

Warm regards
Katrina Alexander
Classroom Teacher A3
