

ST PATRICK'S NEWSLETTER

1st June 2021

In a Catholic way we learn today for tomorrow

"First and foremost every Catholic educational institution is a place to encounter the living God who in Jesus

Christ reveals his transforming love and truth." 'Catholic education of School Age Children 2014

SPOTLIGHT' ON 'MARVELLOUS MISSION'

This week we have been focused on the birthday of the Church and the importance of the Holy Spirit being given to the disciples at Pentecost. We are

learning all about how the Holy Spirit is in us, can grow in us and helps us in our kind actions towards others as we walk as Jesus' disciples

today. We created beautiful, unique Pentecost flame kites to let the Holy Spirit soar around us. Mission have also been finding out about changes that

happen in time, like our shadows during the day. We have been using thermometers to understand changes in temperature too, like how hot it has to be to melt chocolate! Like the Angels, we have taken advantage of all the amazing colours and leaves dropping to create animals and characters to make into stopmotion stories. We had to get very creative to get the right camera angles! Mission love to gather for #nzreadaloud story time. We are very excited to be reading Mallory, Mallory, The Revenge of the Tooth Fairy. Ask someone from Mission what Mallory is like!! We will be welcoming James Norcliffe into school later in the term. Mission are looking forward to our turn at gymnastics starting in Week 6.

We encounter Christ through prayer, in the Word of God, celebrating the sacraments, by living out His message and exercising charity. People encounter Jesus' love, care, acceptance, and support and from that, there should be a change.

COOL AT SCHOOL

Last week's Cool at School award was presented to Taika King for being an outstanding leader and role-model, a friend to many, and always living by 'The St Pat's way.'
